

Anchored

HEBREWS 6:19

KNOWN
WOMEN'S CONFERENCE

A large blue ship is shown from a side-on perspective, moving through the water. The ship has a white superstructure and a blue hull. A long anchor chain is visible, extending from the bow of the ship down into the water. The water is a deep blue color. The sky is a lighter blue. The overall image has a slightly grainy, artistic feel.

We have
this hope as
an anchor
for the soul,
firm, and
secure.

Hebrews 6:19

welcome, *ladies!*

Year three is here and God is on the move already. Thank you for joining us both in person and online. Jesus is the reason we are gathered together to unite the body of believers. Let's focus on HIM completely this weekend.

We have planned and prayed over this event and we are expectant of what God is going to do. Known's mission is to provide a refreshing environment where women can experience the JOY of being known by God and others through conversation and community. So let's do just that, join in community and grow in our faith in Jesus.

This year's theme is ANCHORED, coming from Hebrews 6:19
"We have this HOPE as an anchor for the soul, firm and secure."

Ladies, we have HOPE! Although shifting happens and our boats might be rocking and moving, we have God as our anchor.

Let's celebrate being known and loved by our Creator.
