KNOWN MISSION

To create an experience of fellowship, worship, and learning - where women experience the joy of being Known by God and others through conversations and community.

At Known, our vision is to strengthen women's faith so they experience being known by God, connect in meaningful relationships, and grow authentic community that impacts the Kingdom. We are a year-round organization that creates events, virtual gatherings, and ongoing opportunities for women to deepen their faith and fellowship. In every space, women are reminded that they are fully known and loved by God. Here, encouragement replaces exhaustion and community replaces isolation, renewing women to live out their purpose with confidence and joy.

THE 2027 CONFERENCE

Centered around the theme “Belong,” the 8th Annual Known Women's Conference will explore what it means to belong to Christ and one another, embracing the beauty of community, connection and the unique place God has for each of us in His greater story.

As we've listened to women who attend Known, we've heard a growing desire for more time to connect, reflect and grow in faith. In response, 2027 marks a pivotal year for Known as we move to a larger venue with an adjoining hotel, transforming the conference weekend into a more immersive retreat experience.

With plans to unite more than 1,000 women through in-person and virtual participation, this next chapter creates opportunities to reach more women and deepen the ministry's impact.

This growth brings a greater need for sponsorship support. In this pivotal year, ministry partners will help Known welcome more women, expand the retreat experience and create lasting opportunities for faith and connection. **A place to be known. A place to belong.**

“So in Christ we, though many, form one body, and each member belongs to all the others.” -Romans 12:5
